CODE ON DEALINGS IN SECURITIES

IRONRIDGE RESOURCES LIMITED (the "Company")

1. INTRODUCTION

Set out in this document is the **Company's** code on **dealings** in securities ("the Code"). It was adopted on 5 February 2015.

The Code applies to you if you:

- (a) are a **person** who acts as a **director** of the **Company** whether or not officially appointed as such; or
- (b) are an **applicable employee** of the **Company** (as defined below).

It can also apply to the **family** of a **director** or **applicable employee**, as defined below.

- 1.1 The freedom of the **directors** and **applicable employees** of the **Company** to deal in the **Company's Securities** is restricted regardless of their country of residence or place of business in a number of ways: by statute, by common law, in restrictions in a **director's** service agreement and by the requirement under the **AIM Rules** that such **persons** should not deal in the **Company's Securities** during a **close period**. Under the Criminal Justice Act 1993, it is a criminal offence for an individual who has information as an insider to **deal** on a regulated market (which includes **AIM** (as defined below) for these purposes), or through, or as a professional intermediary, in securities whose price would be significantly affected if the inside information were made public. It is also an offence to encourage insider **dealing** and to disclose inside information with a view to others profiting from it. This Code has been adopted by the **Company** in light of such restrictions. In summary, the purpose of this Code is to ensure that **directors**, **applicable employees** and **persons** connected with them do not:
 - 1.1.1 act in such a way as to cause the **Company** to be in breach of these restrictions; or
 - 1.1.2 abuse, or place themselves under suspicion of abusing, price sensitive information that they may have or be thought to have, particularly (but not exclusively) in periods leading up to an announcement of the **Company's** financial results.
- 1.2 Breach of this Code will be regarded as a serious breach by the **person** concerned of their terms of appointment and may, depending on the circumstances, give rise to disciplinary action or summary dismissal.
- 1.3 Compliance with this Code is not a defence in law and it may, therefore, also be necessary to be satisfied that a proposed dealing in the **Company's Securities** would not contravene relevant insider **dealing** and market abuse legislation. This legislation, which specifies a number of criminal and civil offences arising from abuse by an individual of unpublished price sensitive information, is technical and complex. If you are in any doubt as to your position under this legislation, you are strongly advised to consult a solicitor before taking action.
- 1.4 The **Company** is incorporated in Australia under the Corporations Act and s 1042B extends the operation of the insider trading provisions in Division 3 of Part 7.10 of the Corporations

Act to conduct outside Australia but in relation to shares or options of companies incorporated in Australia.

- 1.5 The Financial Services and Markets Act 2000, as amended ("FSMA") introduced a civil offence regime relating to market abuse, which supplements the existing offences of insider **dealing** and market manipulation/misleading statements offences under the FSMA. The offence, which also applies to securities traded on **AIM**, includes:
- 1.5.1 Insider **dealing** – when an insider (as defined below) **deals**, or tries to **deal**, on the basis of inside information.
 - 1.5.2 Improper disclosure – where an insider improperly discloses inside information to another **person**.
 - 1.5.3 Misuse of information – behaviour based on information that is not generally available but would affect an investor's decision about the terms on which to **deal** and such behaviour falls below the standard of behaviour that a regular user of the relevant market would reasonably expect of a **person** in the same position as whoever is committing the offence in relation to that market.
 - 1.5.4 Manipulating transactions – trading, or placing orders to trade, that gives a false or misleading impression of the supply of, or demand for, one or more investments, raising the price of the investment to an abnormal or artificial level.
 - 1.5.5 Manipulating devices – trading, or placing orders to trade, which employs fictitious devices or any other form of deception or contrivance.
 - 1.5.6 Dissemination – giving out information that conveys a false or misleading impression about an investment or the **Company** where the **person** doing this knows the information to be false or misleading.
 - 1.5.7 Distortion and misleading behaviour – behaviour that gives a false or misleading impression of either the supply of, or demand for, an investment; or behaviour that otherwise distorts the market in an investment.
- 1.6 Encouraging someone else to engage in market abuse is also an offence. The offence applies to any **person** (corporates as well as individuals), it can catch behaviour outside the UK, it is purely effect-based (no intention is required) and no transaction is required.
- 1.7 The Financial Conduct Authority ("FCA") has powers to impose an unlimited fine or make a public statement about market abuse and to apply for court orders to remedy instances of market abuse. The FCA Code of Market Conduct sets out the FCA's opinion on behaviour it considers is/is not, market abuse and the facts it will take into account when determining the question.
- 1.8 You, and if applicable, your **family** must take care before undertaking any form of **dealing** in the **Company's Securities** and you should consult with the **chairman** of the **Company** with any queries in relation to any such **dealings** and, in accordance with the terms of the Code, seek clearance prior to **dealing**. For example, a **dealing** which may fall outside the Code might still constitute an offence under insider **dealing** or market abuse legislation.
- 1.9 If you are uncertain as to whether, under the Code, you or, if applicable, your **family** may **deal** in the **Company's Securities**, see paragraphs 2 to 3 set out below. If you are in any doubt about any provision of the Code, you should obtain legal advice at your own expense

and/or consult the **Company's** nominated adviser or solicitors prior to undertaking any transaction in the **Company's Securities** or encouraging anyone else to trade.

- 1.10 This document addresses the share **dealing** restrictions set out in the **AIM Rules** for Companies alone. Its purpose is to ensure that applicable employees do not abuse, or place themselves under suspicion of abusing, price-sensitive information that they may have or be thought to have, especially in periods leading up to an announcement of results.
- 1.11 If you are uncertain as to the meaning of an emboldened word or phrase, see paragraph 2 below for the definitions.
- 1.12 If you are uncertain as to the **notification** procedure which you or, if applicable, your **family** should follow prior to any **dealing**, see paragraph 3.5. Remember also that a **director** is under an obligation to notify the **Company** in writing of his or her interests (and of the interests of **persons** connected with him or her) from time to time in its securities (within the meaning of the **AIM Rules**. In each case, strict time limits apply. A **director** must disclose to the **Company** all information known to him or her (or which he or she could with reasonable diligence ascertain) which it needs in order to comply with that obligation. You must take care and where appropriate obtain legal advice and/or consult the **Company's** nominated adviser or solicitors. For example, a **dealing** which may fall outside the Code might still need to be disclosed to the **Company**.
- 1.13 If you are uncertain as to those factors which may result in your being denied, or granted, permission to **deal** in securities, see paragraph 3.5 to 3.11.
- 1.14 The preceding introduction and the paragraph headings in this document, do not form part of the Code, are for guidance and ease of reference only and are not to be construed as affecting the substance or interpretation of the Code.
- 1.15 Compliance with the Code or a **dealing** outside the Code may not constitute a defence to any charge under applicable law.

3. DEALINGS BY APPLICABLE EMPLOYEES

3.1 Purpose of dealing

An **applicable employee** must not **deal** on considerations of a short-term nature without advising the **chief executive** or, in his absence, a **director** (“Approval Person”) in advance and receiving clearance and which clearance may be withheld at the absolute discretion of the Approval Person. If any **applicable employee** wished to **deal** considerations of a short-term nature, he/she must notify the **Company** by completing the **notification** form attached at Appendix 2.

A **director** must take reasonable steps to prevent any **dealing** by or on behalf of his or her **family** in any securities of the **Company** on considerations of a short term nature. An investment with a maturity of one year or less will always be considered to be of a short term nature.

3.2 Dealings in close periods

An **applicable employee** must not **deal** during a **close period**.

3.3 Dealings in other circumstances

An **applicable employee** must not **deal** at any time during a **prohibited period**.

3.4 Confidentiality

An **applicable employee** must not make an unauthorised disclosure of **unpublished price-sensitive information** or make use of such information for the advantage of himself, herself or others.

3.5 Clearance to deal

No **director** may **deal** without first advising the **chairman** or, in his absence, the **chief executive** (or one or more other **directors** designated for this purpose) in writing and receiving clearance to so **deal**. In his own case, the **chairman** or other designated **director** must advise the **board** in advance or at a **board** meeting, or alternatively advise the **chief executive** or another designated **director** and receive clearance from the **board** or designated **director** to so **deal**. All other **applicable employees** must not **deal** without advising the **chief executive** or, in his absence, a **director** in advance and receiving clearance.

The notice and authorisation request form is attached to this Code at Appendix 1.

A response to a request for clearance must be given to the **applicable employee** within five business days of the request being made.

If a **director** or **applicable employee** is given clearance to **deal**, they must **deal** as soon as possible and in any event within two business days of clearance being granted. If the **applicable employee** does not **deal** within the time allowed and still wishes to **deal**, the **applicable employee** must reapply for clearance. If any **applicable employee deals**, he/she must notify the **Company** by completing the **notification** form attached at Appendix 2.

If there is any doubt about the ability of any **person** to **deal** the **Company's** nominated adviser should be consulted.

3.6 Circumstances for refusal

An **applicable employee** must not be given clearance (as required by paragraph 3.5 of this Code) to **deal** in any securities of the **Company** if they are **dealing** during a **prohibited period**.

3.7 Prohibited period

An **applicable employee** must not be given clearance (as required by **paragraph 3.5** of this Code) to **deal** during a **prohibited period**.

3.8 Record of clearances

A written record will be maintained by the **Company** of the receipt of requests received from **applicable employees** pursuant to **paragraph 3.5** of this Code and of clearances given. Written confirmation from the **Company** that the advice and clearances (if any) that have been recorded will be provided to the **applicable employee** concerned.

3.9 Dealing pursuant to a binding commitment

Unless otherwise prohibited under s 1043A Corporations Act , **Dealing** will be allowed however, where an **applicable employee** has entered into a binding commitment prior to the **Company** being in a **prohibited period** where it was not reasonably foreseeable at the time the commitment was made that a **prohibited period** was likely, provided that the commitment was notified to a **Regulatory Information Service** at the time it was made.

3.10 Dealing in exceptional circumstances

Subject to compliance at all times with the AIM Rules and the Corporations Act, in exceptional circumstances, where it is the only reasonable course of action available to an **applicable employee**, clearance may be given for the **applicable employee** to sell (but not to purchase) **Company's Securities**, when he or she would otherwise be prohibited from doing so and where the prior consent of the **London Stock Exchange** is obtained. An example of the type of circumstance which may be considered exceptional for these purposes would be a pressing financial commitment on the part of the **applicable employee** that cannot otherwise be satisfied. The **AIM Rules** provide guidance on such exceptional circumstances and suggest that they are limited to situations where severe personal hardship would otherwise result to an **applicable employee** or his immediate relatives, such as the urgent need for a medical operation or to satisfy a court order where no other funds are reasonably available. The determination of whether circumstances are exceptional for this purpose must be made by the **person** responsible for the clearance.

The **Company's** Nominated Adviser should be consulted at an early stage if an **applicable employee** is seeking clearance to **deal** in exceptional circumstances. If such an **applicable employee** is a **director**, a market announcement of the **dealing** will need to include a statement of the nature of the exceptional circumstances in light of which the **dealing** was permitted.

3.11 Discretion as to clearances

The **person** responsible for the clearance may in his discretion decide not to give any reasons for refusing clearance to **deal** and his decision will be final.

3.12 Applicable employee acting as trustee

3.12.1 Where an **applicable employee** is a trustee, the provisions of this Code will apply as if he were **dealing** on his own account.

3.12.2 Where an **applicable employee** is a trustee, **dealing** in securities by that trust is permitted during a **prohibited period** where:

- (a) the **applicable employee** is not a beneficiary of the trust; and
 - (b) the decision to **deal** is taken by the other trustees or by investment managers on behalf of the trustees independently of the **applicable employee** .
- 3.12.3 The other trustees or investment managers acting on behalf of the trustees can be assumed to have acted independently where the decision to **deal**:
 - (a) was taken without consultation with, or other involvement of, the **applicable employee** ; or
 - (b) was delegated to a committee of which the **applicable employee** is not a member.
- 3.12.4 The **Company's** nominated adviser must be consulted before an **applicable employee deals** in securities pursuant to this paragraph 3.12.
- 3.13 **Dealings by connected persons and investment managers**

An **applicable employee** must (so far as is consistent with his duties of confidentiality to the **Company**) seek to prohibit (by taking the steps set out in **paragraph 3.14** of this Code) **dealing** during a **close period** or at a time when the **applicable employee** is in possession of **unpublished price-sensitive information** and would be prohibited from **dealing** under **paragraph 3** of this Code:

 - 3.13.1 by or on behalf of a **connected person** of such **applicable employee**; or
 - 3.13.2 by an investment manager on behalf of an **applicable employee** or on behalf of any such **applicable employee's connected persons** where such **person** or **connected person** has funds under management with that investment manager, whether or not discretionary.
- 3.14 For the purposes of **paragraph 3.13** of this Code, an **applicable employee** must advise all relevant **connected persons** and investment managers:
 - 3.14.1 of the name of the **Company**;
 - 3.14.2 of the **close periods** during which they cannot **deal**;
 - 3.14.3 of periods when the **applicable employee** knows that he or she is not free to **deal** under the provisions of this Code unless his duty of confidentiality to the **Company** prohibits him from disclosing such information to such **persons**; and
 - 3.14.4 of their obligation to such **applicable employee** to advise him or her immediately after they have completed a **dealing**.
- 3.15 **Special Circumstances**
 - 3.15.1 Unless otherwise prohibited under s 1043A Corporations Act , the grant of options by the **board** under an employee share scheme to individuals who are not **applicable employees** may be permitted during a **prohibited period** if such grant could not reasonably be made at another time and failure to make the grant would be likely to indicate that the **Company** was in a **prohibited period**.
 - 3.15.2 Unless otherwise prohibited under s 1043A Corporations Act , where the **Company** has been in an exceptionally long **prohibited period** or the **Company** has had a number of consecutive **prohibited periods**, the **chairman** or other designated **director** may allow the exercise of an option or right under an employees' share scheme, or the conversion

of a convertible security, where the final date for the exercise of such option or right, or conversion of such security, falls during any **prohibited period** and the **applicable employee** could not reasonably have been expected to exercise it at an earlier time when he was free to **deal**.

3.15.3 Unless otherwise prohibited under s 1043A Corporations Act , with the consent of the **chairman** or other designated **director**, an **applicable employee** may enter into a scheme under which only the securities are purchased pursuant to a regular standing order, direct debit or deduction from their salary, or where securities are acquired by way of a standing election to reinvest dividends or other distributions received, or are acquired as a part payment of his/her remuneration without regard to the provisions of this Code.

3.15.4 The **Company's** nominated adviser must be consulted before an **applicable employee deals** in securities pursuant to this paragraph 3.15.

3.16 **List of dealings**

A list of **dealings** since the date of the previous list should be circulated to **directors** with the **board** papers for each meeting of the **board** where the **dealings** are:

3.16.1 by or on behalf of an **applicable employee**;

3.16.2 by **connected persons** of an **applicable employee**;

3.16.3 by investment managers on behalf of either **applicable employee** or a **connected person** of an **applicable employee**.

3.17 **Guidance on other dealings**

For the avoidance of doubt, the following constitute **dealings** for the purposes of this Code and are consequently subject to the provisions of this Code:

3.17.1 arrangements which involve a sale of the **Company's Securities** with the intention of repurchasing an equal number of the **Company's Securities** soon afterwards ("**bed and breakfast**" **dealings**);

3.17.2 **dealings** between **applicable employees**;

3.17.3 off-market **dealings**; and

3.17.4 transfers for no consideration by **applicable employees**, other than transfers where the **applicable employee** retains the beneficial interest.

3.18 For the avoidance of doubt and notwithstanding the definition of **dealing** in this Code, the following **dealings** are not subject to the provisions of this Code:

3.18.1 allowing entitlements to lapse under a rights issue or other pre-emptive offer (including an offer of shares in lieu of a cash dividend);

3.18.2 undertakings to accept, or the acceptance of, a takeover offer.

3.18.3 Where there is uncertainty whether a **dealing** is subject to the Code, a designated **director** should be consulted.
